PMO MOC OPERATIONS MEMORANDUM CIRCULAR  
NO. 017 - 2018

TO : All Shipping Lines and Agents  
Cargo Handling Operator  
All Shippers and Consignees  
PMO MO/C Marine and Terminal Operations Personnel  
All Others Concerned

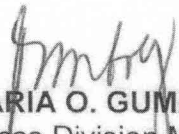

SUBJECT : CLARIFICATION ON THE MAXIMUM GROSS WEIGHT OF A 10-  
FOOTER CONTAINER VAN

In line with the provisions of PPA Memorandum Circular No. 23-2009 Re: Mandatory Weighing of Containers and RO-RO Vehicles and PPA Administrative Order No. 02-2012 Re: Guidelines on the Operations of Weighbridge Facilities and Services at PPA Ports, Shipping Line Companies shall comply with the mandatory weighing of container and the prescribed maximum gross weight for loaded container.

Furthermore, it is hereby clarified that ISO 668 Rating (Maximum Gross Weight) for container vans shall be adopted/used as the standard the rating for containers with no CSC plates and/or any marking indicating its maximum gross weight. As such containers that exceeds the ratings prescribed under ISO 668 shall be considered overloaded/overweight containers

The said PPA Memo Order shall be effective immediately.

For your guidance and information.

  
RUBY MARIA O. GUMAPON  
Port Services Division Manager
