MESSAGE:	
<p>In view of the upcoming 50th Founding Anniversary of New People’s Army (NPA) on 29 March 2019, the National Intelligence Coordinating Agency (NICA) relayed thru an alert memo that CPP-NPA Terrorists (CNTs) traditionally commemorates its anniversary by staging Tactical Offensives (TOs) such as raids, attacks, disarming, and SPARU liquidations, mostly targeting unwary government troops and undermanned detachments and patrol bases/Police stations. NICA also mentioned that said group will conduct sabotage operations targeting private companies that do not give in to their extortion demands. The CNT’s conduct of said terror activities remains to be the primary activity of the CNTs to highlight the event as well as to project an image of strength. The group recently conducted series of TOs in various areas of Bukidnon Province.</p> <p>Anent thereto and in line with the ports’ continuing implementation of International Ship and Port Facility Security (ISPS) Code and in order to ensure safety and security of all port users and port stakeholders of PMO MOC, all Port Police Officers, Terminal Managers and security personnel detailed at PMO MOC are hereby directed to intensify target-hardening and implement enhanced security measures at their respective ports such as but not limited to, stringent screening, tighter access control and other target hardening measures. It is reiterated however, that security level of the port remains at Level 1; though, security measures equivalent to that of higher security levels, whichever is applicable, may be adopted and implemented.</p>	

Moreover, concerned personnel are enjoined to be extra vigilant in monitoring the security situation within your AOR and nearby areas. You are likewise advised to sustain intelligence build-up and closely coordinate with the friendly forces and intelligence community operating within your AOR and report immediately thru the PMO's Command Center any received information that may affect the port security for further assessment and validation.

This Advisory takes effect immediately and shall remain in force, unless sooner revoked or otherwise amended by this Office.

For information, guidance and ready reference.
