COMMISSION ON POPULATION AND DEVELOPMENT
Empowering Filipino Families

October 23, 2019

ATTY. ARTHUR P. TUGADE

Secretary

Department of Transportation (DOTr)
 APO Court along Sergio Osmeña Street,
 Clark Freeport Zone, Pampanga, Philippines

Dear Atty. Tugade:

Greetings!

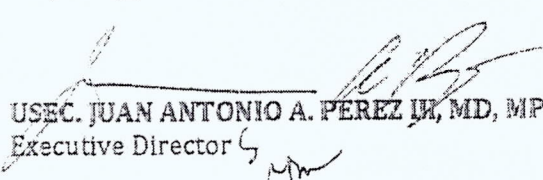

The Commission on Population and Development (POPCOM) is currently conducting various activities to intensify the implementation of the National Program on Population and Family Planning (NPPFP). The NPPFP is a national government priority that aims to improve access of individuals and families to responsible parenthood and family planning information and services. One of the critical strategies in intensifying NPPFP is the production and dissemination of IEC materials which includes outdoor advertisements such as photographic billboards and digital signages to increase the awareness of the public in this national campaign.

In line with this, may we please request a meeting to discuss potential partnership between DOTr and POPCOM. Mr. Paolo Antonio Fernando will coordinate with you further regarding this matter.

Should you have other questions, you may also call us at telephone number 7829240 or 09206764955.

Thank you and looking forward to your positive response.

Very truly yours,
