DE ORO**

In view of the continuing implementation of the International Ship and Port Facility Security (ISPS) Code and pertinent PPA regulations, and as part of the continual security enhancement of the port's Annual Port-Users Pass (APUP) in order to further strengthen the Identification (ID) system presently being implemented by this Office, the APUP duly issued by this PMO for CY 2017 is embedded with a QR Code to ensure its authenticity when used by various port users inside the port premises. Therefore, every APUP issued by this Office is distinct from each other; thus, it contains hidden information and/or codes solely encrypted, controlled and processed by the Port Police Division of this PMO.

Further, in order to ensure consistency of backdrop upon capturing of photos and recency of pictures displayed on every APUP's, PPD will provide and will use only one backdrop design during the entire issuance of said APUP's and all APUP applicants are required to appear personally to the Port Police Division Sub-Office at PMO-MOC Administration Building 1 for the actual taking of photos after submission and completion of the necessary requirements. Affixing of the holder's signature on the APUP and the lamination process of each APUP shall likewise be done at the PPD Sub-Office.

Lost APUP's shall be reported immediately to the Port Police Division and replacement thereof shall be effected upon submission of an affidavit of loss and the payment of the amount of the ID. However, lost Generic ID's shall be reported to PPD and the party at fault shall pay the corresponding penalty, to wit:

1 st Offense	-	Php 500.00
2 nd Offense	-	Php 750.00
3 rd Offense	-	Php 1,000.00 and will be banned from entering the port.
