**OMNIBUS GUIDELINES ON THE IMPLEMENTATION OF
COMMUNITY QUARANTINE IN THE PHILIPPINES**
with Amendments as of May 20, 2021

WHEREAS, Article II, Section 15 of the 1987 Constitution provides that the State shall protect and promote the right to health of the people and instill health consciousness among them;

WHEREAS, Executive Order No. (E.O.) 168, (s. 2014) created the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF) to facilitate inter-sectoral collaboration to establish preparedness and ensure efficient government response to assess, monitor, contain, control, and prevent the spread of any potential epidemic in the Philippines;

WHEREAS, Section 2(c) of E.O. 168 mandates the IATF to prevent and/or minimize the local spread of emerging infectious diseases in the country through the establishment or reinforcement of a system in screening possible patients infected with emerging infectious diseases, contact tracing, identification of the mode of exposure to the virus, and implementation of effective quarantine and proper isolation procedures;

WHEREAS, on 28 January 2020, the IATF convened, and thereafter issued regular recommendations for the management of the 2019 Novel CoronaVirus Acute Respiratory Disease, which is now known as CoronaVirus Disease 2019 (COVID-19);

WHEREAS, the 18 March 2020 Memorandum from the Office of the Executive Secretary directed all heads of departments, agencies, and instrumentalities of government, including the Philippine National Police (PNP), Armed Force of the Philippines (AFP), and the Philippine Coast Guard (PCG), government-owned and controlled corporations (GOCCs), Government Financial Institutions (GFIs), State Universities and Colleges (SUCs), and Local Government Units (LGUs) to adopt, coordinate, and implement guidelines which the IATF may issue on the COVID-19 situation, consistent with the respective agency mandates and relevant laws, rules, and regulations;

WHEREAS, Section 6 (e) of RA 11332, allows the DOH to perform disease surveillance and response functions to address events of public health concern;

WHEREAS, on 30 April 2020, E.O. No. 112, (s. 2020) was issued which confirmed and adopted the Omnibus Guidelines on the Implementation of Community Quarantine in the Philippines, as approved and recommended under IATF Resolution No. 30, and authorized any amendment or modification thereto subject to the approval of the IATF.

REPUBLIC OF THE PHILIPPINES
INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

NOW, THEREFORE, in consideration of the premises set forth herein, the IATF issues these amended Omnibus Guidelines to harmonize and codify existing guidelines of the IATF and member-agencies pertaining to community quarantine, which shall be applied to all regions, provinces, cities, municipalities and barangays placed under community quarantine.

SECTION [1] DEFINITION OF TERMS. For purposes of these Guidelines, the following shall be defined as follows:

1. **Accommodation Establishments** - refers to establishments operating primarily for accommodation purposes including, but not limited to, hotels, resorts, apartment hotels, tourist inns, motels, pension houses, private homes used for homestay, ecolodges, serviced apartments, condotels, and bed and breakfast facilities. *(As amended by Paragraph A(1) of IATF Resolution No. 43, June 03, 2020)*
2. **Comorbidity** - refers to the presence of a pre-existing chronic disease condition.
3. **Community Quarantine** - refers to the restriction of movement within, into, or out of the area of quarantine of individuals, large groups of people, or communities, designed to reduce the likelihood of transmission of an infectious disease among persons in and to persons outside the affected area.
4. **COVID-19** - refers to the Coronavirus Disease 2019 which is caused by the virus known as the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2).
5. **Enhanced Community Quarantine** - refers to the implementation of temporary measures imposing stringent limitations on movement and transportation of people, strict regulation of operating industries, provision of food and essential services, and heightened presence of uniformed personnel to enforce community quarantine protocols.
6. **Essential goods and services** - covers health and social services to secure the safety and well-being of persons, such as but not limited to, food, water, medicine, medical devices, public utilities, energy, and others as may be determined by the IATF.
7. **General Community Quarantine** - refers to the implementation of temporary measures limiting movement and transportation, regulation of operating industries, and presence of uniformed personnel to enforce community quarantine protocols.
8. **Health and emergency frontline services** - refers to services provided by public health workers [all employees of the DOH, DOH Hospitals, Hospitals of LGUs, and Provincial, City, and Rural Health Units, and Drug Abuse Treatment and Rehabilitation Centers including those managed by other government agencies (*e.g.* police and military hospitals/clinics, university medical facilities), uniformed medical personnel], private health workers, such as but not limited to medical professionals, hospital and health

facility administrative and maintenance staff, and aides from private health facilities, as well as their service providers, health workers and volunteers of the Philippine Red Cross and the World Health Organization, and employees of Health Maintenance Organizations (HMOs), the Philippine Health Insurance Corporation (PHIC), health insurance providers, disaster risk reduction management officers, and public safety officers.

9. **Interzonal movement** - the movement of people, goods and services between provinces, highly urbanized cities, and independent component cities under different community quarantine classification. For this purpose, the National Capital Region shall be considered as one area. Provided that movements to and from areas under granular lockdowns shall be considered as interzonal movement even if within the same province or highly urbanized city. *(As amended by Paragraph A of IATF Resolution No. 79, October 15, 2020)*
10. **Intrazonal movement** - the movement of people, goods and services between provinces, highly urbanized cities, and independent component cities under the same community quarantine classification, without transiting through an area under a different classification. For this purpose, the National Capital Region shall be considered as one area. *(As amended by Paragraph A of IATF Resolution No. 79, October 15, 2020)*
11. **Minimum public health standards** - refers to guidelines set by the DOH under Administrative Order No. 2020-0015 and such other issuances subsequent thereto, as well as sector-relevant guidelines issued by national government agencies as authorized by the IATF, to aid all sectors in all settings to implement non-pharmaceutical interventions (NPI), or public health measures that do not involve vaccines, medications or other pharmaceutical interventions, which individuals and communities must carry out in order to reduce transmission rates, contact rates, and the duration of infectiousness of individuals in the population.
12. **Modified Enhanced Community Quarantine** - refers to the transition phase between ECQ and GCQ, when the following temporary measures are relaxed and become less necessary: stringent limits on movement and transportation of people, strict regulation of operating industries, provision of food and essential services, and heightened presence of uniformed personnel to enforce community quarantine protocols.
13. **Modified General Community Quarantine** - refers to the transition phase between GCQ and the New Normal, when the following temporary measures are relaxed and become less necessary: limiting movement and transportation, the regulation of operating industries, and the presence of uniformed personnel to enforce community quarantine protocols.
14. **New Normal** - refers to the emerging behaviors, situations, and minimum public health standards that will be institutionalized in common or routine practices and remain even

FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

after the pandemic while the disease is not totally eradicated through means such as widespread immunization. These include actions that will become second nature to the general public as well as policies such as bans on large gatherings that will continue to remain in force.

15. **On-site capacity** - refers to the number of employees or workers who can be permitted or required to be physically present at their designated workplace outside of their residences. *(As amended by Paragraph B of IATF Resolution no. 106-B, March 28, 2021)*
16. **Skeleton workforce** - refers to the on-site capacity which utilizes the smallest number of people needed for a business or organization to maintain its basic functions. *(As amended by Paragraph B of IATF Resolution no. 106-B, March 28, 2021)*

SECTION [2] GUIDELINES FOR AREAS PLACED UNDER ENHANCED COMMUNITY QUARANTINE. Areas placed under ECQ shall observe the following protocols:

1. Minimum public health standards shall be complied with at all times for the duration of the ECQ.
2. The movement of all persons shall be limited to accessing goods and services from permitted establishments, for work in such establishments, or for such other activities allowed in this section. *(As amended by Paragraph C of IATF Resolution No. 110, April 15, 2021)*
3. Any person below eighteen (18) years old, those who are over sixty-five (65) years of age, those with immunodeficiency, comorbidity, or other health risks, and pregnant women shall be required to remain in their residences at all times, except for obtaining essential goods and services, or for work in industries and offices or such other activities permitted in this Section. *(As amended by Paragraph A of IATF Resolution No. 79, October 15, 2020, and Paragraph B of IATF Resolution no. 106-B, March 28, 2021)*
4. Only the following establishments, persons, or activities are allowed to operate, work, or be undertaken for the duration of the ECQ:
 - a. With full on-site capacity:
 - i. Public and private hospitals;
 - ii. Health, emergency, and frontline services, including those provided by dialysis centers, chemotherapy centers, HMOs, health insurance providers, disaster risk reduction management officers, and public safety officers, and the like;

5. The interzonal movement of non-APOR between areas placed under MGCQ and New Normal for any purpose shall be permitted subject to the reasonable regulations as may be imposed by the LGU concerned, if any, and which should be submitted to the DILG. *(As amended by Paragraph A of IATF Resolution No. 79, October 15, 2020)*

SECTION [8] GENERAL PROVISIONS

1. LGUs are enjoined to enact the necessary ordinances to enforce protocols contained in these Guidelines and to penalize, in a fair and humane manner, violations of these protocols. Law enforcement agencies are likewise strongly enjoined to observe fair and humane treatment of violators. *(As amended by Paragraph C of IATF Resolution No. 47, June 19, 2020)*
2. All national government agencies and instrumentalities, as well as private sector establishments, shall adopt measures to strictly implement and enforce the minimum public health standards set by DOH and other standards set by relevant government agencies.
3. All persons are mandated to wear full-coverage face shields together with face masks (earloop masks, indigenous, reusable, or do-it-yourself masks, or other facial protective equipment), whenever they go out of their residences, pursuant to existing guidelines issued by the national government agencies and LGUs. *(As amended by Paragraph C of IATF Resolution No. 88, December 14, 2020)*
4. Acts of discrimination such as, but not limited to, coercion, libel, slander, physical injuries and the dishonor of contractual obligations such as contracts of lease or employment inflicted upon healthcare workers, government frontliners, repatriated OFWs and returning OFs, and COVID-19 cases whether confirmed, recovered or undergoing treatment, as well as suspect and probable cases, shall be dealt with criminally, civilly, and/or administratively. LGUs are enjoined to issue the necessary executive orders and/or enact ordinances prohibiting and penalizing these discriminatory acts.
5. Notwithstanding the provisions under the different community quarantine classifications as set forth under this Omnibus Guidelines, the IATF may, in exceptional circumstances, suspend the application of the rules or adopt rules applicable to a different community quarantine classification, in order to address the COVID-19 situation in a region, province, city, or municipality.

SECTION [9] SEPARABILITY CLAUSE. If any part, section, or provision of these Guidelines is held invalid or unconstitutional, other provisions not affected thereby shall remain in full force and effect.
