This PMO

SUBJECT : **PPA A.O. No. 05-2022 Revised Policy on the Development, Construction, Operations, and Maintenance of Private Ports, otherwise known as the “2022 Revised Rules on Private Ports”**

Disseminating herewith the PPA Administrative Order No. 05-2022 dated 29 June 2022 on the 2022 Revised Rules on Private Ports which takes effect on 19 July 2022 (*see attached*). The said Order ensures registration of all private ports with PPA, establishes the rules and procedures in the processing of private port applications to ensure efficient and effective delivery of service to the public in compliance with the Ease of Doing Business, and ensures proper monitoring and supervision of the operations of private ports under the jurisdiction of PPA.

All PMO personnel, private port operators and concerned port stakeholders are hereby required to comply with the revised policy for proper and uniform implementation of the provisions thereof.

For guidance and compliance.
